

Carolina Trackout Science and Math Academy

Parent Testimony

When children attend our camps they comment on how much fun they had at the camp. However they forget how much they learned or choose to comment only on the fun things. So, this is an attempt to capture what they tell their parents when they get home after attending Carolina Trackout camp. This year we asked parents to enter their comments about what they heard from their child in a note book at the camp. Here is what we found out... We are glad to share it with you.

- Carolina Trackout, Thank you for the great work that you do here. My son enjoys coming to the trackout sessions. I like it because it is also educational. See you next trackout.
-- Deepa (Arkin's mom)
- My daughter tried 2 trackout camps previously and this is by far her favorite. She has had a lot of fun.
- Carolina Trackout has been a wonderful find for us. We have enjoyed the daily program and like the variety offered to the students. The social activities are also appreciated - My son really enjoyed his time here. Thanks!
-- Beth Romero
- Kurisil is really enjoying the camp. He is very eager to come to the camp. He talks about his day excitedly in the evening. I am happy to see his enthusiasm. Good Luck!
--- Shanthi
- My daughter had her 3 weeks trackout in Carolina Trackout. She likes teachers and program a lot. All teachers are very wonderful and responsible. Ms. Shobha is very kind and understandable person. My daughter had a very happy time here. Thank you Ms. Shobha and all teachers.
--- Abby's parents
- I feel very comfortable leaving my children at Carolina Trackout and know they will be intellectually stimulated. Jessica learned that she likes badminton. The art projects are very creative. Ms. Shobha is a very "real" person - very special and has great experience in teaching if we need tutoring, we will ask Ms. Shobha.
-- Sheila Makler
- My 6 year old daughter attended trackout camp here. We have tried several different options over the last year. Usually she does not want to go back to any camp. This camp has been great. She learns a lot here and has lots of fun. She can't wait to come back next week because "this is the best camp ever!"
-- Jessica Flynn
- For my 13 year old son this has been a fantastic camp! He loves Robotics and math and he was able to have a great time with all activities.
-- DK
- This is the camp my daughter enjoyed every day. The only downside to it was that it was too short...
-- MG
- Mireya enjoys the variety of things they do at camp - from Chess to Art to Solar cookers to Spanish. I am sure we will be back for trackout or Summer!
--- Josephine

- My son really enjoys coming here every day. The activities and all the different things that they learn is amazing. We will be coming back here in our track-outs more often.
- Thank you for helping Aniah. She enjoys being at this wonderful camp that you have set up. Keep up the good work!
-- Nedine
- This camp was a great learning experience for my children and Ms. Shobha made it fun too! The games, field trips, projects and opportunities to learn math & Science were invaluable. My daughter was uncertain if she liked it after the first day. On the last day she said "I kind of want to come back!!"
-- Patricia Holdaway
Thank You!! :-))
- My son has really enjoyed learning more about astronomy this past week. He has come home raving about some of the activities, particularly working with constellations. He is also excited about learning new math "ticks".
- My daughter (12) has really enjoyed the camp! She hates thoughts of doing school work during the Summer, but Ms. Shobha made this so fun for her that she didn't think about the educational aspect of this camp. I feel the math component has really helped her to get a grip on Algebra for next year. Thank you for making this a great camp. Will definitely be back for more!!
- Max had a terrific time! It was a wonderful blend of fun and education. He came home each day excited to tell what he did and what he learned. We really enjoyed the experience and would definitely recommend to others.
-- Angela
- My son loved the camp! Every one has been so nice and helpful. He said he has learned a lot and met great friends! He said he would definitely come back again!
--- Leilei Zhang
